Pope Francis: “Bad Compassion

In a September 23 news conference, Pope Francis condemned euthanasia and abortion and said that there is such a thing as bad compassion, “[w]hether it is the law not to let the child grow in the mother’s womb or the law of euthanasia in disease and old age,” he said. “I am not saying it is a faith thing, but it is a human thing: there is bad compassion.” To play with life is a “sin against God.”

*Set a guard over our priests, especially those who,
in many parts of the world,
live in mortal danger.
Be their protection day and night, O Lord.
Keep evildoers far from them.
Bless them everywhere and always. Amen.*
