March for Life 2024

Among the thousands who braved the cold weather to attend the March for Life January 19 was Jim Harbaugh, head football coach at U of Michigan and a devout Catholic. In his address to the crowd, he reminded them: "You know, we all talk about human rights. There's really no rights that are important unless you have the right to life." [Breitbart](#)

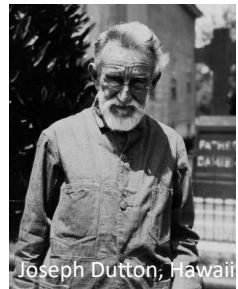

Open Doors Christian Persecution

According to the 2021 World Watch List put out by [Open Doors](#), every day, 13 Christians worldwide are killed because of their faith, 12 churches or Christian buildings are attacked, and 12 Christians are unjustly arrested or imprisoned, while another 5 are abducted. [Vatican News](#)

Two New Causes for Canonization Opened

Fighting for Conscience Protection

The Catholic Medical Association (CMA) often works with other groups, including [Alliance Defending Freedom](#), to fight for conscience protection. Dr Timothy Millea, speaking for CMA, explained: "Since January of 2021, the current administration has relentlessly proposed new rules and legislation pertaining to abortion, chemical abortions, end of life and transgender issues." We are trying to stop or slow these things. I've had to get accustomed to hate mail, but the blowback means we are over the target. If we make 100 people mad but get one to rethink their position, we've done our job." [National Catholic Register](#)

*Set a guard over our priests, O Lord.
Be their protection day and night.
Keep evildoers far from them.
Bless them everywhere and always. Amen.*

*"Fallacies do not cease to be fallacies
because they become fashions."
