Saint Monica, the mother of Saint Augustine, prayed for his conversion for years. She is the patron saint of difficult marriages, disappointing children, and the conversion of relatives. Her feast day is August 27. [Catholic Apostolate](#)

[Society of St Monica](#) was founded for the purpose of uniting in prayer for those who have fallen away from the Church, especially adult children. The group has members in every State and in many other countries.

St Augustine was brought up a Christian but left the Church early, seeking the truth in other sects. Through the prayers of his mother and the teaching of St Ambrose of Milan, he was baptized in 387 at the age of 31, shortly before his mother's death.

Augustine's copious writings left us a precious legacy. His *Confessions* and *The City of God* are classics of Western civilization. He was declared a Doctor of the Church by Pope Boniface VIII in 1308. His feast day is August 28.

We must protect the family

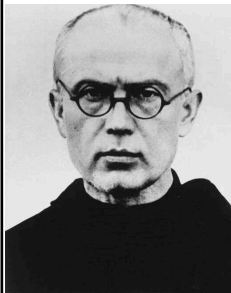

A recent study reported by the Primatial Archdiocese of Mexico City revealed that **Mexico and other Latin American countries are facing "a profound and silent demographic transformation**, but at an accelerated pace, and its consequences are already being felt in the social fabric." The editorial pointed to declining marriage and birth rates, increasing divorce rates, and increasing numbers of single parent households. In all but two countries, deaths in increasingly aging populations are not being replaced by births.

Triumph of the Heart

a film about St Maximilian Kolbe

Contemplating the life and death of St Maximilian Kolbe drew author/director Anthony d'Ambrosio out of a pit of bad health and the loss of his faith. His movie *Triumph of the Heart* is the fruit of his recovery. [National Catholic Register](#)

The movie chronicles the story of St Maximilian Kolbe and his sacrificial death in Auschwitz at the hands of the Nazis.

The film is scheduled to open in mid-September, but venues will be limited because exhibitors don't believe there is an audience for this movie. If you want this film to come to your city, contact theaters in your area and spread the word. Watch the trailer: [Triumph of the Heart](#).
