Saint Matthew is the tax collector whom Jesus called to follow Him. After that, we know little of his life. The Gospel of Saint Matthew never mentions its author by name, but by 80 A.D. it was attributed to him. This Gospel was obviously written by a Jew for the Jews. It is filled with references to how Jesus fulfills the Old Testament prophecies and aims to lead the Jews to see Jesus as the promised Messiah. [Saint Matthew](#)

Fragment of the True Cross to be kept in Mexico

The largest fragment of the True Cross was for years kept in the monastery of Santo Torbio in Liébana, Spain, but the combination of declining vocations and the advancing age of the resident monks made it necessary to find another safe place for the relic. On the Feast of the Exaltation of the Holy Cross this past Sunday, the fragment was given into the custody of three Mexican Franciscans from the Franciscan Conference of Santa María de Guadalupe y de Caribe.

"The visible, public centerpiece of 40 Days for Life is a focused, 40-day, non-stop, round-the-clock prayer vigil outside a single Planned Parenthood center or other abortion facility... It is a peaceful and educational presence."
