Please send prayer requests to [Mary Kavanagh](#)

Set a guard over our priests, O Lord.

Watch over them day and night.

Keep evildoers far from them.

Protect them everywhere and always. Amen.

"The Diocese of Tlaxcala, the oldest in Mexico," is commemorating the quincentennial of its canonical establishment with a 500-hour period of continuous Eucharistic adoration before the Blessed Sacrament as an expression of gratitude and renewal of faith."

A jubilee Mass will be celebrated on October 12. The celebrant will be Archbishop Joseph Spiteri, apostolic nuncio to Mexico.

The first Mass to be celebrated in New Spain (now Mexico) was held in 1519. In 1527, the Dominican friar Julián Garcés arrived in Tlaxcala and formally established the episcopal see in the Church of the Assumption. [CNA](#)

Mexico is a dangerous place for priests

Another priest has been found murdered, this time in the southern cartel-infested state of Guerrero.

Robert Royal, author of *The Martyrs of the New Millennium* states that more than 80 priests have been murdered in Mexico in the last 19 years. Church authorities see "aggressive and systematic" intimidation toward priests. Last year alone, 900 cases of extortion and death threats against priests were recorded and an average of 26 churches were vandalized every week. [Zenit](#), [CNA](#)

Eva Edl, 89-year-old concentration camp survivor:

"Nobody's life is ultimately safe in a nation ruled by someone who does not respect all human life, from conception to natural death...It will just depend on who is in power, and whose whim will dictate who is permitted to live, and who is going to be exterminated."
