Peace, but not as the world gives...

So, our Lord makes the necessary distinction: "Not as the world gives do I give it to you." The world gives "peace" by ignoring or denying problems. Christ bestows real peace by entering into our greatest sorrows, even into death itself. The world proposes the false peace of contentment and comfort. Christ gives the true peace that calls us to higher things. The world settles for a false peace by numbing our pain with drink, drugs, sex, etc. Christ's peace comes only through sacrifice and self-denial. Fr Paul Scalia [The Catholic Thing](#)
