### Prayer to the Lord of the Column

Lord Jesus, You wanted to come into our midst,  
wrapped in the mystery of the surrender of your life;

now, as in your first coming,

Heal us! Save us!

And through the intercession of your Blessed Mother,  
sanctify our life, our families, our country and our Faith.

Amen.✠

## Serious risks increase with new abortion pill rules

"Without requiring an in-person doctor visit, anyone can go online and get mail-order abortion pills. There is no way to ensure that the unborn baby hasn't grown so large that chemical abortion is unsafe for the mother, no way to ensure that [it is not an ectopic pregnancy] where using chemical

abortion drugs could prove deadly to the mother, and no way to ensure that it's the mother who is voluntarily requesting the chemical abortion drugs and not a boyfriend seeking the pills to secretly and coercively poison her."

There is a bill before the Senate to rescind the FDA approval of the drug. - [Ethics and Public Policy Center](#)
