*Set a guard over our priests, O Lord.
 Watch over them day and night.
 Keep evildoers far from them.
 Protect them everywhere and always.

Archbishop Sheen beatification September 24

The Mass for the beatification of Archbishop Fulton Sheen will take place on Thursday, September 24, at 2 p.m. CDT at The Dome at America's Center, a stadium in St. Louis. Full Coverage of the events will be on [EWTN News](#).

Fulton Sheen was a true media "personality," first on the radio for the Catholic Hour and, from 1952 through 1957, with his TV program "Life is Worth Living." His dynamic presentations reached up to thirty million people of all faiths. If you have never watched the program, you are in for a treat. All episodes are on [YouTube](#).

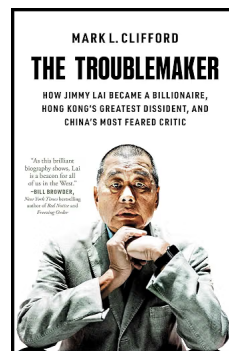

Every day of his life, no matter where he was, Fulton Sheen made a Holy Hour before the Blessed Sacrament. This was a commitment he made at his ordination and kept his whole life.

The miracle required for beatification took place fifteen years ago when a newborn baby boy was brought back to life after being dead for sixty-one minutes. Despite dire predictions of brain damage, the young man is leading a completely healthy and normal life today. [National Catholic Register](#)

Hope for the release of Jimmy Lai?

President Xi of China, will be visiting the US on September 24. His friends and family are again making pleas for his release as a good-will gesture. Lai has been imprisoned for years for the "crime" of using his newspaper to advocate for freedom and democracy in Hong Kong. He has never participated in nor advocated for violence. [EWTN News](#)

Guanajuato Catholics March for Life

Guanajuato is one of only seven Mexican states where abortion is illegal, but with the prospect of new efforts to legalize it, the Archbishop of León has organized a march on Saturday, September 26, at 5:00pm, in support of the unborn and pregnant women. This includes the dioceses of Celaya and Irapuato, which together with the Archdiocese of León cover the territory of the state. [ACI Prensa](#)
